

ADP HR Everywhere

A more human resource.™

ADP HRe Guru

If you're a small to medium sized business with some professional HR presence but could benefit from reliable and up to date employment law research and advice, ADP HRe Guru could be for you:

- In-depth online portal showcasing relevant case law outcomes
- Resources to allow you to train your teams on employment law topics
- Downloadable templates including 'how to' guides
- Direct access to qualified HR and Health & Safety advisers through the telephone advice line
- For 1 or 2 users dependent on your needs
